**Erratum: Group-subgroup structural phase transitions: A comparison with existing tables  
[Phys. Rev. B 30, 4962 (1984)]**

Harold T. Stokes and Dorian M. Hatch

Dr. B. L. Davies has called to our attention a typographical error in Table VIII. *Two* irreps (not *three*) of  $O_h^4$  ( $M$  point) fail the Landau condition.
